LAND ACKNOWLEDGMENT

We, as Boston Roller Derby, acknowledge that the idea and center of our league's geography sits on the unceded and ancestral land of the Massachusetts/Pawtucket people, which then became the appropriated name of the Commonwealth.

The Massachusetts Indigenous Legislative Agenda is asking for support and outreach to legislators regarding: Remove Racist Mascots, Honor Indigenous People's Day, Celebrate and Teach Native American Cultures & History, Protect Native American Heritage, and Support the Education and Futures of Native Youth. Please head to: <http://mainindigenousagenda.org> to learn more about their Legislative Agenda and how to get involved.
